

TESOL SUB-COMMITTEE PRESENTS

SCILLS E- Learning English Literacy Program

Presented by Nicky Bolt, The Southern Cross Connection

- **Literacy via computer; does it work?**
- **Does it suit ESL teaching?**
- **How does it differ from other literacy programs?**

WHAT IS SCILLS?

The SCILLS E-Learning Literacy program is a 25 module accelerated English program that can be downloaded via internet or intranet. Students can complete the program individually, or it can be facilitated in a classroom in conjunction with the computer program.

This program is designed to fast-track the slow learner as well as to accelerate the average and exceptional student to even higher literacy proficiency levels.
